Cooperating organizations

The Rubber Standards Committee, under whose direction this British Standard was prepared, consists of representatives from the following Government departments and scientific and industrial organizations:

- British Association of Synthetic Rubber Manufacturers
- British Rubber Manufacturers' Association*
- Department of Industry (Chemicals and Textiles)
- Medical Sterile Products Association
- Ministry of Defence
- Rubber and Plastics Research Association of Great Britain
- Rubber Growers' Association*
- Society of Motor Manufacturers and Traders Limited
- The Malaysian Rubber Producers' Research Association*

The organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard:

- Tyre Manufacturers' Conference (Service Committee)

This British Standard, having been prepared under the direction of the Rubber Standards Committee, was published under the authority of the Executive Board and comes into effect on 31 March 1980
