National foreword

This British Standard has been prepared by Technical Committee EPL/84, and is identical with IEC 574-2:1992 *Audio-visual, video and television equipment and systems — Part 2: Explanation of general terms*, published by the International Electrotechnical Commission (IEC). Agreement was given by CENELEC that HD 369.2 S1 (which applied to the previous version of IEC 574-2:1977) should be withdrawn; therefore this Part of BS 5817 supersedes BS 5817-2:1980 which is withdrawn.
