

CONFIRMED
AUGUST 1991

Specification for

Low voltage switchgear and controlgear for industrial use — Mounting rails —

C-profile and accessories for the
mounting of equipment

This European Standard EN 50024 was given, as from 30 April 1980, the status of a British Standard

UDC 621.316.54:621.3.027.2:62-218-423.9

The European Committee for Electrotechnical Standardization (CENELEC), under whose supervision this European Standard was prepared, comprises the National Committees of the following countries.

Austria	Netherlands
Belgium	Norway
Denmark	Portugal
Finland	Spain
France	Sweden
Germany	Switzerland
Ireland	United Kingdom
Italy	

This British Standard was published under the authority of the Executive Board and comes into effect on 30 April 1980

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the EN title page, pages 2 to 12, an inside back cover and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.

UDC 621.316.54:621.3.027.2:62-218-423.9

Key words: Electrical switchgear and controlgear, low voltage, industrial use, domestic application, mounting rail, mounting of equipment, screw mounting, C-profile steel rail, dimensional standardization

English version

Low voltage switchgear and controlgear
for industrial use
Mounting rails C-profile and accessories
for the mounting of equipment

Appareillage industriel à basse
tension. Profils supports.
Profilé C et accessoires pour la
fixation des appareils

Industrielle Niederspannungs-
Schaltgeräte. Tragschienen.
C-Schiene und Zubehör zur
Befestigung von Geräten

This European Standard was accepted by CENELEC on 1978-12-8. The CENELEC members are bound to adhere to the CENELEC Internal Regulations which specify under which conditions this European Standard has to be given, without any alteration, the status of a national standard.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the CENELEC General Secretariat or to any CENELEC member.

This European Standard is established by CENELEC in three official versions (English, French, German). A translation made by another member under its own responsibility, in its own language, and notified to CENELEC, has the same status.

CENELEC members are the national electrotechnical committees of Austria, Belgium, Denmark, Finland, France, Germany, Ireland, Italy, Luxemburg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
