

Analogue signals for process control systems —

Part 1: Specification for direct current signals

UDC 681.527.7:621.391.3.024:621.372.037.33

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Industrial-process Measurement and Control Standards Committee (PCL/-) to Technical Committee PCL/1 upon which the following bodies were represented:

- British Gas Corporation
- British Pressure Gauge Manufacturers' Association
- Department of Energy, Gas Standards
- Electricity Supply Industry in England and Wales
- Energy Industries Council
- Engineering Equipment and Materials Users' Association
- Gambica (BEAMA Ltd.)
- Institution of Gas Engineers
- National Coal Board
- STC Water Regulations and Fittings Scheme

The following bodies were also represented in the drafting of the standard, through subcommittees and panels:

- British Steel Corporation
- Health and Safety Executive
- Institute of Measurement and Control
- Institution of Chemical Engineers
- SIRA Ltd.

This British Standard, having been prepared under the direction of the Industrial-process Measurement and Control Standards Committee, was published under the authority of the Board of BSI and comes into effect on 29 February 1984
