Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee ACE/44, Protective treatments and aircraft finishes, upon which the following bodies were represented:

- British Coatings Federation Ltd.
- Metal Finishing Association
- Ministry of Defence
- National Centre of Tribology
- Oil and Colour Chemists' Association
- Society of British Aerospace Companies

This British Standard, having been prepared under the direction of the Engineering Sector Board, was published under the authority of the Standards Board and comes into effect on 15 April 1998
