

Hose and hose assemblies for asphalt and bitumen —

Part 2: Specification for rubber hose and hose assemblies

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Piping Systems Components Standards Policy Committee (PSE/-) to Technical Committee PSE/12, upon which the following bodies were represented:

- British Compressed Gases Association
- British Gas plc
- British Rubber Manufacturers' Association Ltd.
- Electricity Association
- Energy Industries Council
- Engineering Equipment and Materials Users' Association
- LP Gas Association
- Ministry of Defence
- Petrol Pump Manufacturers' Association
- United Kingdom Petroleum Industry Association Ltd.

This British Standard, having been prepared under the direction of the Piping Systems Components Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 July 1994
