Foreword

This part of BS 6222 has been prepared by Technical Committee FW/2. It is a new edition of, and supersedes, BS 6222-3:1993, which is withdrawn.

The other parts of BS 6222 are the following:

- *Part 2: Specification for strength requirements and methods of test for fitted kitchen units;*
- *Part 4: Code of practice for protection, storage and installation of fitted kitchen units;*
- *Part 5: Specification for strength requirements and methods of test for peninsular units, island units and breakfast bars.*

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
