

Sampling tobacco and tobacco products —

Part 3: Methods of sampling cigarettes

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Agriculture and Food Standards Policy Committee (AFC/-) to Technical Committee AFC/11, upon which the following bodies were represented:

Department of Trade and Industry (Laboratory of the Government Chemist)
Tobacco Advisory Council

This British Standard, having been prepared under the direction of the Agriculture and Food Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 28 February 1992

© BSI 09-1999

First published February 1989
Second edition February 1992

National foreword

This Part of BS 6245 has been prepared under the direction of the Agriculture and Food Standards Policy Committee. It is identical with ISO 8243:1991 “*Cigarettes — Sampling*”, published by the International Organization for Standardization (ISO), and in the preparation of which the United Kingdom played a full part. This revision of BS 6245-3 supersedes BS 6245-3:1989 which is withdrawn.
