Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee PAI/11, Methods of test for paper, board and pulps, upon which the following bodies were represented:

- British Apparel and Textile Confederation
- British Carton Association
- British Fibreboard Packaging Association
- British Printing Industries Federation
- Envelope Makers' and Manufacturing Stationers' Association
- Her Majesty's Stationery Office
- Ministry of Defence
- Paper Federation of Great Britain
- University of Manchester (Institute of Science and Technology)

This British Standard, having been prepared under the direction of the Sector Board for Materials and Chemicals, was published under the authority of the Standards Board and comes into effect on 15 October 1996

© BSI 11-1998

First published August 1977
Second edition October 1996

National foreword

This Part of BS 6388 has been prepared by Technical Committee PAI/11 and is identical to ISO 5630-3:1996 *Paper and board — Accelerated ageing — Part 3: Moisture heat treatment at 80 °C and 65 % relative humidity*, published by the International Organization for Standardization (ISO).
It supersedes BS 6388-3:1987 which is withdrawn.

Cross-references

Publication referred to	Corresponding British Standard
ISO 186:1994	BS EN ISO 186:1996 <i>Paper and board — Sampling to determine average quality</i> (Identical)
ISO 187:1990	BS EN 20187:1993 <i>Paper, board and pulps. Standard atmosphere for conditioning and testing and procedure for monitoring the atmosphere and conditioning of samples</i> (Identical)

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, pages 1 to 6, an inside back cover and a back cover.
This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.
