Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Electronic Equipment Standards Committee (EEL/-) to Technical Committee EEL/24 upon which the following bodies were represented:

- British Radio and Electronic Equipment Manufacturers' Association
- Department of Health and Social Security
- Department of Trade and Industry, National Physical Laboratory
- Institution of Electronic and Radio Engineers
- Post Office
- Royal National Institute for the Deaf
- Society of Hearing Aid Audiologists Limited

The following bodies were also represented in the drafting of the standard, through subcommittees and panels:

- Association of British Theatre Technicians
- Association of Professional Recording Studios Limited
- Association of Sound and Communications Engineers Limited
- Audio Engineering Society
- British Kinematograph, Sound and Television Society
- British Tape Industry Association
- British Telecom
- Consumers' Association
- Electronic Components Industry Federation
- Federation of British Audio
- Independent Television Companies' Association
- Radio Electrical and Television Retailers' Association
- Royal Institute of British Architects
- Telecommunication Engineering and Manufacturing Association (TEMA)

This British Standard, having been prepared under the direction of the Electronic Equipment Standards Committee, was published under the authority of the Board of BSI and comes into effect on 31 October 1983
