Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Electronic Equipment Standards Committee (EEL/-) to Technical Committee EEL/25, upon which the following bodies were represented:

- British Broadcasting Corporation
- British Radio and Electronic Equipment Manufacturers' Association
- British Telecommunications plc
- Department of Trade and Industry, Radiocommunications Division
- Institution of Electronic and Radio Engineers
- Radio, Electrical and Television Retailers' Association

The following bodies were also represented in the drafting of the standard, through subcommittees and panels:

- Cable Television Association of Great Britain
- Consumer Policy Committee of BSI
- Consumers' Association
- Electronic Components Industry Federation
- Electronic Engineering Association
- Independent Broadcasting Authority
- Institute of Data Processing Management
- Institution of Electrical Engineers
- Society of Cable Television Engineers
- Telecommunication Engineering and Manufacturing Association (TEMA)

This British Standard, having been prepared under the direction of the Electronic Equipment Standards Committee, was published under the authority of the Board of BSI and comes into effect on 23 December 1987
