Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the General Electrotechnical Engineering Standards Committee (GEL/-) to Technical Committee GEL/115 upon which the following bodies were represented:

- Association of Consulting Engineers
- Beama Transmission and Distribution Association
- British Railways Board
- ERA Technology Ltd.
- Electricity Supply Industry in England and Wales
- Institute of Petroleum
- Institution of Electrical Engineers
- London Transport Executive

The following bodies were also represented in the drafting of the standard, through subcommittees and panels:

- British Lubricants Federation Limited
- Electric Cable Makers' Confederation
- Electric Cable Makers' Confederation — Supertension Cables Group

This British Standard, having been prepared under the direction of the General Electrotechnical Engineering Standards Committee, was published under the authority of the Board of BSI and comes into effect on 31 August 1984
