Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Iron and Steel Standards Committee (ISE/-) to Technical Committee ISE/72 upon which the following bodies were represented:

- British Industrial Fasteners' Federation
- British Railways Board
- British Steel Industry
- Ministry of Defence
- Stainless Steel Fabricators Association of Great Britain

This British Standard, having been prepared under the direction of the Iron and Steel Standards Committee, was published under the authority of the Board of BSI and comes into effect on 28 September 1984

© BSI 09-1999

The following BSI references relate to the work on this standard:
