Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Timber Standards Committee (TIB/-) to Technical Committee TIB/7 upon which the following bodies were represented:

- Association of British Plywood and Veneer Manufacturers
- British Railways Board
- British Wood Preserving Association
- British Woodworking Federation
- Department of the Environment (Property Services Agency)
- Department of the Environment (Building Research Establishment Princes Risborough Laboratory)
- Greater London Council
- Institution of Structural Engineers
- National Association of Shopfitters
- Royal Institute of British Architects
- Timber Research and Development Association
- Timber Trade Federation

This British Standard, having been prepared under the direction of the Timber Standards Committee, was published under the authority of the Board of BSI and comes into effect on 28 February 1985
