Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Mechanical Engineering Standards Committee (MEE/-) to Technical Committee MEE/60, upon which the following bodies were represented:

- BEAMA Ltd
- British Constructional Steelwork Association
- British Industrial Fasteners Federation
- British Internal Combustion Engine Manufacturers' Association
- British Railways Board
- British Steel Industry (Wire Section)
- Department of Trade and Industry (National Engineering Laboratory)
- Federation of British Hand Tool Manufacturers
- Gauge and Tool Makers' Association
- Ministry of Defence
- Society of Motor Manufacturers and Traders Limited
- Telecommunication Engineering and Manufacturing Association (TEAMA)
- Washer Manufacturers' Association of Great Britain

The following body was also represented in the drafting of the standard:

- Electronic Engineering Association

This British Standard, having been prepared under the direction of the Mechanical Engineering Standards Committee, was published under the authority of the Board of BSI and comes into effect on 28 February 1985
