National foreword

This British Standard has been prepared under the direction of the Office and Information Standards Committee and is identical with ISO 6260 “*Mail payment orders*” published in 1984 by the International Organization for Standardization (ISO).

Terminology and conventions. The text of the International Standard has been approved as suitable for publication as a British Standard without deviation. Some terminology and certain conventions are not identical with those used in British Standards; attention is drawn especially to the following.

Where the words “International Standard” appear, referring to this standard, they should be read as “British Standard”.
