Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Machinery and Components Standards Committee (MCE/-) to Technical Committee MCE/2, upon which the following bodies were represented:

- British Gear Manufacturers' Association
- British Pump Manufacturers' Association
- Department of Trade and Industry, National Engineering Laboratory
- Institution of Engineers and Shipbuilders in Scotland
- Institution of Production Engineers
- Milling Cutter Association
- Ministry of Defence

This British Standard, having been prepared under the direction of the Machinery and Components Standards Committee, was published under the authority of the Board of BSI and comes into effect on 31 July 1985

© BSI 12-1999
