

Thermoplastics hot water bottles —

Part 2: Specification for hot water bottles manufactured from polyolefin materials

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Plastics and Rubber Standards Policy Committee (PRM/-) to Technical Committee PRM/68, upon which the following bodies were represented:

- British Retail Consortium
- British Rubber Manufacturers' Association
- Department of Trade and Industry (Consumer Safety Unit)
- Malaysian Rubber Producers' Research Association
- Medical Sterile Products Association
- National Pharmaceutical Association
- RAPRA Technology Limited
- Consumer Policy Committee of BSI

This British Standard, having been prepared under the direction of the Plastics and Rubber Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 March 1993
