Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee B/511, Buildings — mobile and temporary, upon which the following bodies were represented:

- British Holiday and Home Parks Association Limited
- Camping and Caravanning Club Ltd.
- Caravan Club
- Chief and Assistant Chief Fire Officers' Association
- Consumer Policy Committee of BSI
- Department of the Environment, Transport and the Regions (Central Transport Group)
- Institution of Electrical Engineers
- LP Gas Association
- National Caravan Council Limited
- National Prefabricated Building Association Ltd.
- Society of Motor Manufacturers and Traders Limited

This British Standard, having been prepared under the direction of the Building and Civil Engineering Sector Committee, was published under the authority of the Standards Committee and comes into effect on 15 October 1999

Foreword

This part of BS 6767 has been prepared by Technical Committee B/511. It supersedes BS 6767-1:1992 which is withdrawn.

This revision of part 1 has been prepared to reflect updates in legislation, regulations, standards and safety provisions.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, pages 1 to 6, an inside back cover and a back cover.
