Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Electronics Components Standards Committee (ECL/-) to Technical Committee ECL/20, upon which the following bodies were represented:

- Electronic Components Industry Federation
- Electronic Engineering Association
- Ministry of Defence
- National Supervising Inspectorate
- Telecommunication Engineering and Manufacturing Association (TEMA)

This British Standard, having been prepared under the direction of the Electronic Components Standards Committee, was published under the authority of the Board of BSI and comes into effect on 31 December 1986

© BSI 11-1999
