Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Machinery and Components Standards Committee (MCE/-) to Technical Committee MCE/10, upon which the following bodies were represented:

- Agricultural Engineers' Association
- British Coal
- British Gear Association
- British Rubber Manufacturers' Association
- Society of Motor Manufacturers and Traders Limited

This British Standard, having been prepared under the direction of the Machinery and Components Standards Committee, was published under the authority of the Board of BSI and comes into effect on 30 November 1987
