National foreword

These Sections of BS 6893 have been prepared by Subcommittee GEL/15/3/5. They are identical with IEC 684-3-406 to 408:1988 *Specification for flexible insulating sleeving — Part 3: Specification requirements for individual types of sleeving Sheets 406 to 408: Glass textile sleeving with PVC based coating*, published by the International Electrotechnical Commission (IEC) and endorsed by the European Committee for Electrotechnical Standardization (CENELEC) as HD 523.3.406 to 408 S1.

Cross-references

Publication referred to	Corresponding British Standard
	BS 6893 *Flexible insulating sleeving for electrical purposes*
IEC 684-1:1980	Part 1:1987 *Specification for general requirements* (Identical)
IEC 684-2:1984	Part 2:1987 *Methods of test* (Identical)
IEC 757:1983	BS 7645:1993 *Code for designation of colours* (Identical)

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the HD title page, pages 2 to 6, an inside back cover and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.
