

Jointing materials and compounds —

Part 5: Specification for jointing compounds for use with water, low pressure saturated steam, 1st family gases (excluding coal gas) and 2nd family gases

Confirmed December 2011

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Piping Systems Components Standards Policy Committee (PSE/-) to Technical Committee PSE/2, upon which the following bodies were represented:

- Asbestos Information Centre Ltd.
- British Adhesives and Sealants Association
- British Compressed Gases Association
- British Gas plc
- British Pump Manufacturers' Association
- British Railways Board
- Energy Industries Council
- Engineering Equipment and Materials Users' Association
- Institution of Gas Engineers
- Institution of Water and Environmental Management
- Liquefied Petroleum Gas Industry Technical Association (UK)
- Water Services Association of England and Wales

This British Standard, having been prepared under the direction of the Piping Systems Components Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 31 January 1992
