Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Refractory Products Standards Policy Committee (RPM/-) to Technical Committee RPM/13, upon which the following bodies were represented:

- British Ceramic Research Ltd.
- British Industrial Ceramic Manufacturers Association
- British Metallurgical Plant Constructors Association
- Department of Trade and Industry (National Physical Laboratory)
- Electricity Supply Industry in England and Wales
- GAMBICA (BEAMA Ltd.)
- Institute of Refractories Engineers
- Ministry of Defence
- Refractories Association of Great Britain
- Rolls-Royce Limited
- United Kingdom Atomic Energy Authority
- University of Manchester

This British Standard, having been prepared under the direction of the Refractory Products Standards Policy Committee, was published under the authority of the Board of BSI and comes into effect on 31 January 1990
