National foreword

This Part of BS 7156 has been prepared under the direction of the Personal Safety Equipment Standards Policy Committee and is the English language version of EN 148 “*Respiratory protective devices; Threads for facepieces*” — Part 1 “*Standard thread connection*” published by the European Committee for Standardization (CEN).

EN 148-1 was produced as a result of international discussions in which the United Kingdom took an active part.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the EN title page, pages 2 to 6, an inside back cover and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.
