

Specification for

Synthetic-fibre needlefelts

Confirmed
November 2011

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Textiles and Clothing Standards Policy Committee (TCM/-) to Technical Committee TCM/20, upon which the following bodies were represented:

- Association of Heavy Textile Proofers of Great Britain
- Association of Jute Spinners and Manufacturers
- Flax and Linen Association (GB)
- Made-Up Textiles Association
- Man-made Fibres Producers Committee
- Post Office
- Textile Research Council

The following bodies were also represented in the drafting of the standard, through sub-committees and panels:

- Ministry of Defence
- Needleloom Felt Manufacturers' Association
- Pressed Felt Manufacturers' Association

This British Standard, having been prepared under the direction of the Textiles and Clothing Standards Policy Committee, was published under the authority of the Board of BSI and comes into effect on 30 November 1989
