Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Electrical Illumination Standards Policy Committee (LGL/-) to Technical Committee LGL/6, upon which the following bodies were represented:

- Association of Manufacturers Allied to the Electrical and Electronic Industry (BEAMA Ltd)
- British Lighting Association for the Preparation of Standards (Britlaps)
- Chartered Institution of Building Services Engineers
- Consumer Policy Committee of BSI
- Electricity Supply Industry in England and Wales
- Engineering Equipment and Materials Users' Association
- Institution of Lighting Engineers
- Lighting Industry Federation Ltd
- London Regional Transport
- Ministry of Defence
- Society of Glass Technology
- Society of Motor Manufacturers and Traders Limited

The following bodies were also represented in the drafting of the standard, through subcommittees and panels:

- British Telecommunications plc
- Department of Trade and Industry-Consumer Safety Unit, CA Division
- Electrical Installation Equipment Manufacturers Association (BEAMA Ltd)
- Royal Society for the Prevention of Accidents

This British Standard, having been prepared under the direction of the Electrical Illumination Standards Policy Committee, was published under the authority of the Board of BSI and comes into effect on 31 October 1989
