

Classification of refractories —

Part 3: Ceramic fibre products —

Section 3.1 Blankets, mats, felts and paper

Confirmed
December 2009

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Refractory Products Standards Policy Committee (RPM/-) to Technical Committee RPM/11, upon which the following bodies were represented:

- British Cement Association
- British Ceramic Research Ltd.
- British Steel Industry
- Refractories Association of Great Britain
- Society of Glass Technology

This British Standard, having been prepared under the direction of the Refractory Products Standards Policy Committee, was published under the authority of the Board of BSI and comes into effect on 30 April 1990
