Foreword

This British Standard has been prepared under the direction of the Textiles and Clothing Standards Policy Committee and incorporates requirements given in Ministry of Defence Specification No. UK/SC/4727B, which is to be withdrawn on the publication of this standard.

Attention is drawn to the instructions in BS 2747 to close all fasteners when preparing a textile article for care treatment.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
