# Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Elements and Components (of Diverse Materials) for Buildings Standards Policy Committee (ECB/-) to Technical Committee ECB/27, upon which the following bodies were represented:

- Aluminium Federation
- Association of Building Component Manufacturers Ltd.
- Autoclaved Aerated Concrete Products Association
- British Board of Agrément
- British Concrete Masonry Association
- British Precast Concrete Federation Ltd.
- Cold Rolled Sections Association
- Department of Health
- Department of the Environment (Building Research Establishment)
- Department of the Environment (Property Services Agency)
- Flat Glass Manufacturers' Association
- Glass and Glazing Federation
- Gypsum Products Development Association
- Institution of Structural Engineers
- Loss Prevention Council
- National Federation of Plastering, Dry Lining and Partition Contractors
- Partitioning Industry Association
- Royal Institute of British Architects
- Timber Research and Development Association
- Wood Wool Slab Manufacturers' Association

This British Standard, having been prepared under the direction of the Elements and Components (of Diverse Materials) for Buildings Standards Policy Committee, was published under the authority of the Board of BSI and comes into effect on 30 September 1990
