

Specification for

Inclusion of glass in the construction of tables or trolleys

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Consumer and Contract Goods Standards Policy Committee (CCM/-) to Technical Committee CCM/48, upon which the following bodies were represented:

- Association for Consumer Research (ACRE)
- British Association for Accident and Emergency Medicine
- British Contract Furnishing Association
- British Furniture Manufacturers' Federation
- British Shops and Stores Association (BSSA)
- Child Accident Prevention Trust
- Consumer Policy Committee of BSI
- Deparment of Trade and Industry (Consumer Safety Unit, C A Division)
- Faculty of Medicine, Leeds University
- Flat Glass Manufacturers' Association
- Furniture Industry Research Association
- Glass and Glazing Federation
- Ice (Ergonomics)
- Institute of Trading Standards Administration
- Royal Society for the Prevention of Accidents
- Society of Glass Technology

This British Standard, having been prepared under the direction of the Consumer and Contract Goods Standards Policy Committee, was published under the authority of the Board of BSI and comes into effect on 30 November 1990
