

Method for

Determination of delamination force of textile floor coverings

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Textiles and Clothing Standards Policy Committee (TCM/-) to Technical Committee TCM/27, upon which the following bodies were represented:

- Association of Consulting Scientists
- British Carpet Manufacturers' Association Ltd
- British Polyolefin Textiles Association
- British Textile Technology Group
- Carpet Cleaners' Association
- Contract Flooring Association
- Fibre Bonded Carpet Manufacturers' Association
- International Wool Secretariat
- Man-made Fibres Producers' Committee

This British Standard, having been prepared under the direction of the Textiles and Clothing Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 29 March 1991
