

Rubber or plastics covered rollers —

Part 3: Methods of test —

Section 3.3 Determination of apparent hardness by the Pusey and Jones method

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Plastics and Rubber Standards Policy Committee (PRM/-) to Technical Committee PRM/73, upon which the following bodies were represented:

- British Rubber Manufacturers' Association Ltd.
- British Structural Bearings Manufacturers' Association
- Building Employers' Confederation
- Department of the Environment (Building Research Establishment)
- Department of Transport
- Institute of Medical Laboratory Sciences
- Institution of Structural Engineers
- Malaysian Rubber Producers' Research Association
- Ministry of Defence
- Royal Society of Chemistry

This British Standard, having been prepared under the direction of the Plastics and Rubber Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 31 January 1992
