

Specification for

# Windows and side scuttles for fire-resistant constructions —

Part 1: B class divisions

# Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the General Mechanical Engineering Standards Policy Committee (GME/-) to Technical Committee GME/32, upon which the following bodies were represented:

- British Marine Equipment Council
- British Maritime Technology
- British Motor Ship Owners' Association
- British Waterways Board
- Department of Transport (Marine Directorate)
- General Council of British Shipping
- Lloyd's Register of Shipping
- Ministry of Defence
- North East Coast Institution of Engineers and Shipbuilders
- Shipbuilders' and Shiprepairers' Association

This British Standard, having been prepared under the direction of the General Mechanical Engineering Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 30 August 1991
