

Specification for

Rigid stretchers

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Personal Safety Equipment Standards Policy Committee (PSM/-) to Technical Committee PSM/3, upon which the following bodies were represented:

- Association of Chief Ambulance Officers
- Association of National Health Service Supplies Officers
- British Red Cross Society
- British Surgical Trades' Association
- Department of Health
- Home Office
- Industrial Safety (Protective Equipment) Manufacturers' Association
- Ministry of Defence
- St John Ambulance

This British Standard, having been prepared under the direction of the Personal Safety Equipment Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 31 January 1992
