

Hydrogen peroxide for industrial use —

Part 2: Method for determination of stability at 100 °C

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Chemicals Standards Policy Committee (CIC/-) to Technical Committee CIC/22, upon which the following bodies were represented:

- British Association for Chemical Specialities
- British Textile Confederation
- Chemical Industries' Association
- Soap and Detergent Industry Association

This British Standard, having been prepared under the direction of the Chemicals Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 1 May 1992
