## Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Environment and Pollution Standards Policy Committee (EPC/-) to Technical Committee EPC/37, upon which the following bodies were represented:

British Association for Chemical Specialities  
British Effluent and Water Association  
Department of Trade and Industry (Laboratory of the Government Chemist)  
Hevac Association  
Power Generation Contractors' Association (BEAMA Ltd.)  
Royal Society of Chemistry  
Textile Research Council (FCRA)

The following bodies were also represented in the drafting of the standard, through subcommittees and panels:

Associated Offices' Technical Committee  
Association of Circulator Manufacturers  
Association of Control Manufacturers (TACMA (BEAMA) Ltd.)  
British Gas plc  
Chemical Industries' Association  
Electricity Association  
Engineering Equipment and Materials Users' Association  
Health and Safety Executive  
Institute of Corrosion  
Institute of Domestic Heating and Environmental Engineers  
Institute of Energy  
Institute of Marine Engineers  
Institute of Plumbing  
Manufacturers' Association of Radiators and Convectors Limited  
Society of British Gas Industries

This British Standard, having been prepared under the direction of the Environment and Pollution Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 December 1992
