

Method for

Determination of colour of raw natural rubber (colour index test)

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Plastics and Rubber Standards Policy Committee (PRM/-) to Technical Committee PRM/50, upon which the following bodies were represented:

- British Rubber Manufacturers' Association Ltd.
- Chemical Industries' Association
- Ministry of Defence
- Tropical Growers' Association

This British Standard, having been prepared under the direction of the Plastics and Rubber Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 September 1992
