

Specification for

Social alarm system apparatus for connection to public switched telephone networks

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Consumer and Contract Goods Standards Policy Committee (CCM/-) to Technical Committee CCM/27, upon which the following bodies were represented:

- Association of Metropolitan Authorities
- Association of Security Consultants
- British Security Industry Association
- Consumer Policy Committee of BSI
- Consumers' Association
- Department of Health
- Electronic Components Industry Federation
- Institute of Housing
- Social Alarm Trade Association

The following bodies were also represented in the drafting of the standard, through subcommittees and panels:

- Association of Electronics, Telecommunications and Business Equipment Industries
- British Approvals Board for Telecommunications
- British Telecommunications plc
- OFTEL (Office of Telecommunications)

This British Standard, having been prepared under the direction of the Consumer and Contract Goods Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 October 1992
