

Piston and/or plunger operated volumetric apparatus —

Part 4: Specification for conditions of test, safety and supply

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Laboratory Apparatus Standards Policy Committee (LBC/-) to Technical Committee LBC/36, upon which the following bodies were represented:

- Association for Science Education
- British Glass Manufacturers' Confederation
- BLWA (Association of the Laboratory Supply Industry)
- CLEAPSS School Science Service
- Department of Trade and Industry (Laboratory of the Government Chemist)
- Institute of Medical Laboratory Sciences

The following bodies were also represented in the drafting of the standard, through a subcommittee:

- Department of Trade and Industry (National Weights and Measures Laboratory)
- Royal Society of Chemistry

This British Standard, having been prepared under the direction of the Laboratory Apparatus Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 July 1993
