

# Carbon fibre —

## Part 2: Method for determination of linear density

# Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Plastics and Rubber Standards Policy Committee (PRM/-) to Technical Committee PRM/41, upon which the following bodies were represented:

- British Plastics Federation
- Department of Trade and Industry (National Physical Laboratory)
- Ministry of Defence
- Motor Industry Research Association

This British Standard, having been prepared under the direction of the Plastics and Rubber Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 April 1993
