Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Machine, Engineers and Hand Tool Standards Policy Committee (MTE/-) to Technical Committee MTE/1, upon which the following bodies were represented:

- Advanced Manufacturing Technology Research Institute
- Associated Offices Technical Committee
- Cold Rolled Sections Association
- Cranfield Institute of Technology
- Health and Safety Executive
- Independent Engineering Insurers Committee
- Machine Tool Technologies Association
- Metal Forming Machinery Makers' Association
- Ministry of Defence
- Trades Union Congress
- Coopted members

This British Standard, having been prepared under the direction of the Machine, Engineers and Hand Tools Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 October 1993
