

Guide for the maintenance of silicone transformer liquids

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Cables and Insulation Standards Policy Committee (CIL/-) to Technical Committee CIL/10 upon which the following bodies were represented:

- Association of Consulting Engineers
- Chemical Industries Association
- Electricity Industry in United Kingdom
- ERA Technology Ltd.
- Health and Safety Executive
- Institute of Petroleum
- Transmission and Distribution Association (BEAMA Ltd.)

The following bodies were also represented in the drafting of the standard, through subcommittees and panels:

- British (AC) Capacitor Manufacturers' Association (BEAMA Ltd.)
- British Cable Makers' Confederation
- British Lubricants Federation Ltd.
- National Association of Waste Disposal Contractors

This British Standard, having been prepared under the direction of the Cables and Insulation Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 November 1993
