Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Power Electrical Engineering Standards Policy Committee (PEL/-) to Technical Committee PEL/17, upon which the following bodies were represented:

- Aluminium Federation
- Association of Consulting Engineers
- BECCAMA (BEAMA Electrical Cable Conductor Accessory Manufacturers' Association)
- British Non Ferrous Metals Federation
- British Railways Board
- Department of Trade and Industry (Electricity Division)
- Electrical and Electronic Insulation Association (BEAMA Ltd.)
- Electricity Association
- Overhead Transmission Line Contractors (BEAMA Ltd.)

This British Standard, having been prepared under the direction of the Power Electrical Engineering Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 February 1994
