

Recommendations for

Management of optical disk (WORM) systems for the recording of documents that may be required as evidence

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Information and Documentation Standards Policy Committee (DOT/-) to Technical Committee DOT/16, upon which the following bodies were represented:

- British Computer Society
- British Library
- British Office Technology Manufacturers' Alliance
- British Photographic Association
- Computer Graphics Suppliers' Association
- Cranfield Imaging and Document Management User Group
- Her Majesty's Stationery Office
- Kodak Limited
- Library Association
- London Borough of Bromley
- Records Management Society
- National Centre for Information Media and Technology (Cimtech)
- United Kingdom Association for Information and Image Management

The following bodies were also represented in the drafting of this standard, through subcommittees and panels:

- Bar Association for Commerce, Finance and Industry
- Civil Aviation Authority
- Crown Office
- Institute of Chartered Secretaries and Administrators
- Law Society
- Public Records Office

This British Standard, having been prepared under the direction of the Information and Documentation Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 August 1994
