

Tea sacks —

Part 1: Specification for a reference sack for palletized and containerized transport of tea

Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee AW/8, Tea, upon which the following bodies were represented:

- Campden Food and Drink Research Association
- Ministry of Agriculture, Fisheries and Food
- Natural Resources Institute
- Tea Trade Technical Committee
- United Kingdom Tea Association

This British Standard, having been prepared under the direction of the Consumer Products and Services Sector Board (W/-), was published under the authority of the Standards Board and comes into effect on 15 April 1995

National foreword

This Part of BS 7804 has been prepared under the direction of the Consumer Products and Services Sector Board. It is identical with ISO 9884-1:1994 *Tea sacks — Specification — Part 1: Reference sack for palletized and containerized transport of tea*, published by the International Organization for Standardization (ISO). This Part of BS 7804 implements an agreement, to which the United Kingdom was a party, reached in Subcommittee 8, Tea, of Technical Committee TC 34, Agricultural food products, of ISO. The United Kingdom provides the secretariat for this subcommittee.

The Technical Committee has reviewed the provisions of ISO 2758:1983, ISO 3676:1983 and ISO 8351-1:1994, to which reference is made in the text, and has decided that they are acceptable for use in conjunction with this standard. Related British Standards to ISO 2758 and ISO 3676 are BS 3137:1972 and BS 6884:1987 respectively.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i to iv, pages 1 to 6, an inside back cover and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.
