Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee GME/9, Bolts, nuts and accessories, upon which the following bodies were represented:

- BEAMA Ltd.
- British Constructional Steelwork Association Ltd.
- British Industrial Fasteners Federation
- British Steel Industry
- British Steel Industry (Wire Section)
- Gauge and Tool Makers' Association
- National Association of Fastener Stockholders
- Society of Motor Manufacturers and Traders Ltd.
- Washer Manufacturers' Association of Great Britain

The following bodies were also represented in the drafting of the standard, through subcommittees and panels:

- British Turned-parts Manufacturers' Association
- Institute of Metal Finishing
- Metal Finishing Association
- National Centre of Tribology
- Stainless Steel Fabricators' Association of Great Britain

This British Standard, having been prepared under the direction of the Engineering Sector Board, was published under the authority of the Standards Board and comes into effect on 15 December 1995
