Committees responsible for this British Standard

The preparation of this British Standard was entrusted by Technical Committee MTE/15 Hand tools, to Subcommittee MTE/15/9, Hammers, axes and hatchets, upon which the following bodies were represented:

- Birmingham City Council
- Consumer Policy Committee of BSI
- Department of Trade and Industry [Consumer Safety Unit (CA Division)]
- Federation of British Hand Tool Manufacturers
- Handle Manufacturers' Association
- Home Office
- Institute of Carpenters
- Ministry of Defence

This British Standard, having been prepared under the direction of the Engineering Sector Board, was published under the authority of the Standards Board and comes into effect on 15 December 1995

© BSI 07-1999
