Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee PRI/70, Elastomeric seals for joints in pipework and pipelines, upon which the following bodies were represented:

- British Gas plc
- British Plastics Federation
- British Precast Concrete Federation Ltd.
- British Rubber Manufacturers' Association Ltd.
- Chartered Institution of Water and Environmental Management
- Clay Pipe Development Association Limited
- Concrete Pipe Association
- Ductile Iron Producers' Association
- Fibre Cement Manufacturers' Association Limited
- Malaysian Rubber Producers' Research Association
- RAPRA Technology Ltd.
- Society of British Water Industries
- Water Companies Association
- Water Services Association of England and Wales

This British Standard, having been prepared under the direction of the Sector Board for Materials and Chemicals, was published under the authority of the Standards Board and comes into effect on 15 March 1998
