Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee ISE/6, Steel castings, upon which the following bodies were represented:

- BEAMA Ltd.
- British Pump Manufacturers' Association
- British Valve and Actuator Manufacturers' Association
- Castings Development Centre
- Hopkinsons Limited
- Institute of British Foundrymen
- Lloyds' Register of Shipping
- Ministry of Defence
- Railway Industry Association

This British Standard, having been prepared under the direction of the Engineering Sector Board, was published under the authority of the Standards Board and comes into effect on 15 August 1998
